

The diagram illustrates a road construction zone with the following elements:

- Top Section:** Two yellow triangular warning signs (a worker and a narrow lane) are placed on the left side of the road. A dimension line indicates a maximum distance of 100 m for $V \leq 60 \text{ km/h}$.
- Work Area:** A central section of the road is closed off by a red and white striped barrier. A dimension line indicates a minimum length of 2,75 m.
- Bottom Section:** Two yellow triangular warning signs (a narrow lane and a worker) are placed on the right side of the road. A dimension line indicates a maximum distance of 100 m for $V \leq 60 \text{ km/h}$.
- Additional Equipment:** A red and white striped barrier is shown on the right side of the road, and a red and white chevron sign is placed at the end of the work area.
